i3-7100U			2.4 GHz																																																																																																																
i5-7200U			2.5 GHz		3.1 GHz		3MB																																																																																																												
Processor Number			# of Cores		Base Frequency		Max Turbo Frequency	Cache	Memory Types	Processor Graphics																																																																																																									
E2-9010	2	2.0 GHz	2.2 GHz	1MB	DDR4-1866	AMD Radeon™ R2 Graphics																																																																																																													
A4-9120		2.2 GHz	2.5 GHz		DDR4-2133	AMD Radeon R3 Graphics																																																																																																													
A6-9210		2.4 GHz	2.8 GHz		DDR4-2133	AMD Radeon R4 Graphics																																																																																																													
A9-9410		2.9 GHz	3.5 GHz			AMD Radeon R5 Graphics																																																																																																													
										Multi-touch	None																																																																																																								
								Storage	<p><i>Some:</i> SSD / SATA 6.0Gb/s, 2.5" wide</p> <p><i>Some:</i> HDD / SATA 6.0Gb/s, 2.5" wide, 7mm or 9.5mm high</p> <p><i>Some:</i> SSHD with 8GB NAND flash memory</p>																																																																																																										
								SATA controller	Serial ATA, SATA 6.0Gb/s support, integrated in processor																																																																																																										
								Optical (optional)	DVD burner, 9.0mm high, fixed, tray-in																																																																																																										
								Ethernet	Gigabit Ethernet connection																																																																																																										
								WLAN	11ac, 1x1, Wi-Fi + Bluetooth combo adapter, M.2 Card																																																																																																										
								Bluetooth™	Bluetooth 4.1 wireless, integrated in Wi-Fi + Bluetooth combo adapter																																																																																																										
								Dimensions	WxDxH: 14.96" x 10.31" x 0.90"; 380mm x 262mm x 22.9mm																																																																																																										
								Weight	1.9 kg (4.19 lb)																																																																																																										
								Case color	Black texture																																																																																																										
								Case material	PC/ABS plastic																																																																																																										
								Media reader	4-in-1 reader (MMC, SD, SDHC, SDXC)																																																																																																										
								Ports	One USB 3.1 Gen 1 / USB3.0, one USB 2.0, HDMI, Ethernet (RJ-45)																																																																																																										
								Camera (optional)	0.3MP, fixed focus																																																																																																										
								Audio support	HD Audio, monaural speaker, 1.5W x 1 / optional monaural digital microphone, combo audio/microphone jack																																																																																																										
								Keyboard	6-row, multimedia Fn keys, numeric keypad																																																																																																										
								Touchpad	2-button touchpad, multi-touch																																																																																																										
								Security	Power-on password, hard disk password, supervisor password, security keyhole																																																																																																										
								Security chip	Firmware TPM 2.0, integrated in chipset																																																																																																										
								Fingerprint reader	None																																																																																																										
								Battery	<p>V110-15ISK: Integrated Li-Ion 4-cell (32Wh) battery</p> <p>V110-15IAP: Integrated Li-Ion 3-cell (24Wh) battery</p> <p>V110-15IKB: Integrated Li-Ion 4-cell (32Wh) battery</p> <p>V110-15AST: Integrated Li-Ion 3-cell (24Wh) battery</p>																																																																																																										
								Max battery life	Up to 6 hr																																																																																																										
								AC adapter	45W or 65W AC adapter																																																																																																										
								Preload	<p><i>Some:</i> Windows® 7 Professional 64 preinstalled through downgrade rights in Windows 10 Pro 64</p> <ul style="list-style-type: none"> • Adobe® Reader® • Microsoft® Office preloaded; purchase a product key to activate • McAfee® LiveSafe™ (30-day trial) <p><i>Some:</i> Windows 10 Home 64</p> <ul style="list-style-type: none"> • Windows 10 Pro 64 • Lenovo Companion • Lenovo Setting • Microsoft Office preloaded; purchase a product key to activate • McAfee® LiveSafe™ (30-day trial) 																																																																																																										
								Limited warranty	<p><i>One of the following, configurable by model:</i></p> <ul style="list-style-type: none"> • 1-year depot repair service • 2-year/1-yr battery depot repair service 																																																																																																										
								Environment	EPEAT™ Silver; ENERGY STAR® 6.1; RoHS-compliant																																																																																																										
Graphics	<p>V110-15ISK: Intel HD Graphics 510 or 520 in processor only, or Intel HD Graphics 510 or 520 in processor and AMD Radeon R5 M430 or AMD Radeon 530, 2GB memory;</p> <p>V110-15IAP: Intel HD Graphics 500 or 505 in processor only;</p> <p>V110-15IKB: Intel HD Graphics 610 or 620 in processor only, or Intel HD Graphics 610 or 620 in processor and AMD Radeon 530, 2GB memory;</p> <p>V110-15AST: AMD Radeon R2, R4, or R5 Graphics in processor only, or AMD Radeon R2, R4, or R5 Graphics in processor and AMD Radeon R5 M430, 2GB memory;</p> <p>supports independent display;</p>																																																																																																																		
Chipset	Intel or AMD SoC (System on Chip) platform																																																																																																																		
Memory	<p>V110-15ISK: 16GB max / 2133MHz DDR4, dual-channel capable, 4GB memory soldered to systemboard, one DDR4 SO-DIMM socket</p> <p>V110-15IAP: 8GB max / 1600MHz DDR3L, dual-channel capable, optional 2GB memory soldered to systemboard, one DDR3L SO-DIMM socket</p> <p>V110-15IKB: 16GB max / 2400MHz DDR4, dual-channel capable, 4GB memory soldered to systemboard, one DDR4 SO-DIMM socket</p> <p>V110-15AST: 8GB max / 2133MHz DDR4, dual-channel capable, 4GB memory soldered to systemboard, one DDR4 SO-DIMM socket</p> <p>* System clocks down for processors with lower memory controller</p>
