a matchless learning machine.

Introducing the 500e Chromebook, a state-of-the-art learning tool.

Powerful, portable, and packed with premium features, the 500e brings the “class” to every classroom. In addition to its Gorilla-Glass HD touch screen, the 500e comes automatically paired with an EMR pen, which can be conveniently stored inside the system after note-taking and interacting with all your favorite education apps. It comes with a world-facing camera and the ability to bend into four different modes, making the 500e flexible when creating and sharing work via G Suite for Education and Google Classroom. Plus, Chrome Education makes administering and managing a fleet of Chromebooks simple and secure, it’s easy to see why the 500e is the device many educators say has improved the speed and quality of class prep.

**Paperless Potential**

Every 500e device comes with a 11.6” HD multi-touch display and a responsive, pressure-sensitive EMR pen that can be conveniently stored in a built-in compartment. Plus this pen pal doesn’t need charging or pairing so it’s super easy to share. With a 360° Yoga Hinge, the 500e seamlessly bends into 4 different modes - perfect for extensive note taking, fine art, and detailed arithmetic.

**Durability Done Right**

The 500e graduates with high honors in durability. Its rubber bumpers help to withstand drops up to 75cm. Even the touch screen is damage resistant, built with chemically-strengthened Gorilla Glass. Plus, the keyboard not only features mechanically anchored keys but a water-resistant design. Pair all that with the rugged, reinforced flexibility of a 360° Yoga hinge and you’ve got a machine built to withstand even the most chaotic classrooms.

**Classroom Compatible**

With its Intel 2.2 GHz Celeron processor, the 500e is packed with power and unparalleled speed. It can run all your favorite education apps like Alma, Activity Learn, GeoGebra, and more. The 500e comes equipped with G Suite for Education, which allows students to securely access their personal interface and cloud files from any device with the simple login of a Google ID. Plus with Google Classroom, the 500e makes it simple for school administrators to control access and updates on multiple devices.

**The Total Learning Tool**

Only 2.97lbs and 20.35 mm thin, the 500e is a sleek and efficient educational accessory. With up to 10 hours of battery life*, students can work through an entire school day on one charge. Plus it’s equipped with a world-facing camera which can capture photos and videos from any direction, making the 500e full of premium possibilities.
