

Lenovo™ V310

POWER, SECURITY & SIMPLICITY FOR SMALL BUSINESSES.

The Customizable Laptop That Offers Future-Proof Performance & Reliability.

Designed for businesses, the Lenovo™ V310 is dependable for years to come and easy to use from day one. Its powerful Intel® processor offer smooth performance, while featuring a one-piece keyboard design, which reduces the build-up of dust and dirt around the edge of the keyboard which normally degrades the performance of your laptop over time. A 180-degree hinge offers flexible viewing angles for its antiglare display, while the Ultrabay allows for a DVD drive, or a second battery for up to 12 hours of total battery life. The Dual Drive option allows you to have the optimum blend of SSD speed and HDD capacity.

WHY YOU SHOULD BUY THE LENOVO™ V310

Future-Proof Performance

Powered by up to 7th Gen Intel® Core™ processor* and high-speed DDR4 memory, the Lenovo™ V310 ensures smooth computing for years to come.

Design Innovation

Boasting a slim 0.9-inch design, the Lenovo™ V310 is as functional as it is stylish. It features a one-piece gapless keyboard to protect against dust, and an antiglare display with 180° hinge to offer the best viewing angle in any situation.

Configurable Options for Added Versatility

Thanks to its innovative Ultrabay, the Lenovo™ V310 lets choose between a DVD drive, or a second battery for extended battery life. Choose between high-capacity HDD, ultra-fast SSD storage, or SSD plus HDD combined that will make opening applications and files much faster than your old laptop.

Built for Business

Get business-class connectivity and security features including optional fingerprint reader and integrated TPM that works with Windows 10 Bitlocker to secure your passwords.

* Available in August 2016.

WHO NEEDS THE LENOVO® V310?

- 1** Business users who want a superior balance of performance and future-proof value
- 2** Mobile workers who need the extended battery life of the optional second battery
- 3** Collaborative workers who will make the most of the 180° lie-flat hinge

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

PRIORITY TECHNICAL SUPPORT

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

WARRANTY UPGRADES - ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

WARRANTY EXTENSIONS (1-3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
