

Lenovo™ ThinkCentre M715 TW SFF

THE POWER TO DRIVE YOUR BUSINESS

Powerful, reliable, secure... ThinkCentre M715 TW SFF boosts efficiency and productivity—and grows in line with your business.

Designed to deliver outstanding performance and manageability—ThinkCentre M715 tower (TW) and Small Form Factor (SFF) meets the most demanding content creation and multi-media tasks. Featuring the latest 7th generation AMD processors and DDR4 memory, plus optional PCIe SSD—you'll experience fast boot up times, open files faster than ever and avoid frustrating delays. Together with built-in security to protect your data, and cost-saving upgrade options—ThinkCentre M715 TW SFF empowers your workforce, and improves your organization's efficiency and productivity.

WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE M715 TW SFF

Big on Power

Enjoy huge power from your desktop with a ThinkCentre tower (TW) or small form factor (SFF)—with up to the latest 7th generation AMD processors and DDR4 memory. Plus, PCIe SSD with 3D NAND technology improves SSD endurance by 10 times—so you can rely on ThinkCentre to handle demanding tasks with ease. (*SSD with 128 GB and above capacity are with 3D NAND technology)

Management Made Easy

AMD DASH technology

Protect Critical Data

TPM 2.0 bolsters security, protecting your ThinkCentre in case it falls into the wrong hands.

Expands With Your Business

Easy to customize, you can choose components such as the CPU, memory, HDD and graphics card—and upgrade them as your needs change. What's more, with a wide array of ports, you can connect the devices and peripherals you need as your business grows.

Defence Against Dust

Workshop or regular office—dust build-up affects computer performance. ThinkCentre TW SFF optional Dust Shield reduces dust intake by up to 42%, improving reliability and protecting your assets.

THE LENOVO™ THINKCENTRE M715 TW SFF IS BEST SUITED FOR?

- 1** Progressive IT decision makers who recognise technological performance as integral to empowering their business
- 2** Busy professionals requiring desktop-standard performance with plenty of horsepower and upgrade options
- 3** IT managers who value the agility to extend and replace components as resource requirements evolve

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

PRIORITY TECHNICAL SUPPORT

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

WARRANTY UPGRADES—ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

WARRANTY EXTENSIONS (1-3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
