OUR AGILITY ENABLES YOUR AGILITY
SENSIBLE SIMPLICITY. ENTERPRISE CAPACITY.

For you, it’s never “business as usual.” Each day, you challenge yourself to think bigger and confront the status quo. The durable ThinkPad® L580 facilitates your boldness with the latest generation Intel® Core™ i7 processors and modern standardized docking. In fact, this business-ready laptop is thinner and lighter than ever yet still provides the functional performance you need to stay on point. Intel® Dual Band Wireless-AC connectivity, integrated security, and vPro™ remote manageability simplify the essentials so you can focus on conquering the day.

**FEATURED ACCESSORIES**

**ThinkPad Ultra Dock (135W)**
This USB-C docking solution delivers a premium display experience and superior connectivity to all the workspace peripherals you use every day.

**Lenovo HDMI to VGA Adapter Cable (0B47069)**
Go, do, and connect with this optimal sleek compatibility experience. Seamlessly enable interoperability of your ThinkPad systems with commercial analog projectors and displays.

**Kensington MicroSaver 2.0 Cable Lock (4XE0N80914)**
Engineered using patented technologies and rigorous testing to be the smallest, strongest lock for laptops and other devices, this lock provides uncompromising protection to keep your data secure.

**RECOMMENDED SERVICES**

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment—so you can focus on your business, not your IT.

**Premier Support**
Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

**Accidental Damage Protection (ADP)**
Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This fixed-cost, fixed-term protection plan minimizes unexpected repairs for predictable budgeting and provides significant savings relative to the cost of non-covered repairs.

**Warranty Extensions**
Get a fixed-term, fixed-price service solution to match the lifecycle of your device and fit within your budget. Purchasing an extension at the time of a system purchase saves 15-30% over the price of purchasing it post-warranty.
