LIFE JUST GOT EASIER.

Everything about the Lenovo™ IdeaPad™ 320 is designed to simplify your life. It will handle any task with ease, thanks to powerful processing and discrete graphics options. Preloaded with Windows 10 Home, you’ll have the personal assistance of Cortana, designed to help open apps and answer your questions—whether typed or spoken. From the new streamlined design to a cleaner desktop interface, you’ll enjoy the simplicity that Lenovo IdeaPad 320 offers. The biggest challenge you’ll face is choosing your perfect color.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 320

Style built to last

Featuring a special protective finish to guard against wear and tear, the IdeaPad 320 will easily withstand whatever life throws your way. Available in a range of sophisticated tone-on-tone colors.

Impressive performance

Powerful 6th Generation Intel® Core™ i7 processing, plus up to 12 GB DDR4 (via memory slot), guarantee lightning-fast responsiveness. Run multiple programs simultaneously, and transition seamlessly between web tabs—you’ll be able to multi-task with ease.

Smooth graphics

The IdeaPad 320 offers a range of graphics options, including a powerful NVIDIA® GeForce® 920MX graphics card. Discrete graphics cards rely on their own processing power, so they don’t drain the CPU’s output to other functions. Whether you’re playing a game, creating, or editing content, you’ll enjoy dazzling visuals.

Brilliant FHD resolution

The IdeaPad 320 offers up to Full High-Definition resolution in three screen sizes - 14”, 15” and 17”. And with anti-glare technology, you’ll enjoy true visual clarity when you watch movies, browse the web and more.
