

ideapad 5i PRO (16")

EXPANSIVE HORIZONS.

We engineered Lenovo™ **IdeaPad™** 5i Pro for cord-cutters and entertainers who demand mind-blowing visuals and powerful performance. Powered by up to an 11th Generation Intel® Core™ processor, its up-to-QHD display explodes with color. Plus, you can count on the bouncier feel of soft-landing switches via the improved keyboard precisely engineered for tactile control and keying accuracy.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 5i PRO (16")

Widen your perspective

The **IdeaPad 5i Pro (16")** features a massive 16:10 2.5K QHD 350 nits display that's bright enough for direct sunlight. Its 4-side narrow bezels make the most of screen real estate, and colors come alive in a 100% sRGB color gamut.

Unconstrained performance

The **IdeaPad 5i Pro (16")** gives you the power to play. Fueled by up to an 11th Generation Intel® Core™ i7 processor, it boasts up to 16GB DDR4 memory and NVIDIA® GeForce® MX450 discrete graphics for unbridled performance.

Lenovo™

Smart Login

Simply open up your **IdeaPad 5i Pro (16")** to get started instantly. Thanks to its infrared camera, you can use facial recognition and instant, Smart Login.

Charge for minutes. Stream for hours

Free yourself from the outlet with the long-lasting battery life, enhanced by Rapid Charge Express, with a 15-minute charge giving you three additional hours.

ideapad 5i PRO (16")

Sounds that come to life

Experience sound that moves all around you with breathtaking realism through Dolby Atmos® over dual speakers. Pinpoint in-game sounds in 3D space; feel like you're inside your favorite song; or immerse yourself more deeply in your shows and movies with crystal-clear and complex soundscapes.

Tactile touch for better feel and accuracy

The keyboard boasts enlarged touchpad and function arrow keys, while integrating soft landing switches to make 1.3 mm of key travel feel even deeper.

The quietest, coolest blades

With possibly the largest fan in a mainstream ultraslim, the **IdeaPad 5i Pro's** fan optimizes cooling and airflow.

Breaking the boundaries of performance

Unmatched speed and intelligence that makes your experience fast, smooth and easy with up to 11th Generation Intel® Core™ i7 processor.

PRELOADED SOFTWARE

- Windows 10 Pro/Home
- McAfee LiveSafe™
- Microsoft Office
- Lenovo Utility
- Lenovo Vantage
- Alexa⁵

¹ All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² On 120 Hz SKU only.

³ Not all configurations will allow for these I/O ports.

⁴ The actual transfer speed of the USB 3.2 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

⁵ Available on certain models.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
