

ideapad FLEX 3 CHROMEBOOK (11")

LESS COMPLEXITY, MORE PRODUCTIVITY!

Adaptable to all surfaces and environments, the **IdeaPad™ Flex 3 Chromebook (11")** affords pristine views of its 11.6" display from any angle or distance, whether you're lounging or commuting. The contemporary and simple platinum grey design of this 360° convertible is made for effortless portability at 1.2 kg and a thickness of just 19.6 mm. Get work done at the same time with the full keyboard and integrated Google Assistant, which boosts productivity, controls your smart devices while letting you have fun at the same time.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD FLEX 3 CHROMEBOOK (11")

Optimizing speed and distance

Multitask with confidence on the **IdeaPad Flex 3 Chromebook (11")**, a machine that improves with time and engineered to go the distance. Get stuff done quickly and smoothly with the built-in memory and eMMC storage, while short boot-up times* and zippy software loading speeds reduces time wasted.

Stay fully connected

Connect to all your essential devices with the standard full I/O support on the **IdeaPad Flex 3 Chromebook (11")**, which comes with USB-C, microSD™ and USB 3.0 support. Wireless-AC 2x2 WiFi also means faster streaming, gaming and sharing experience while Bluetooth® 4.1 lets you connect to up to two Bluetooth® devices at once.

A little help to get things done

Google Assistant on Chromebook¹ helps you multitask, control your smart devices, manage your day, and more. Use your voice to manage everyday tasks like email and calendar, get answers to questions, and listen to songs and podcasts – just ask Google. Give it a try with: "Hey Google, create a new document."

Roam free with Chromebooks

All you need to get started on Chrome OS is to log-in with your Google account and immediately access all your Google Drive files and Chrome preferences on the **IdeaPad Flex 3 Chromebook (11")**, which also offers built-in virus protection. And with its long-lasting battery life, this portable Chromebook lets you go anywhere. Best of all, any device that's signed in with your Google account—your phone, a laptop or tablet—syncs automatically so you can have your work, emails, photos and videos ready to go, no matter where you are.

* Boot up speed varies depending on device.

¹ An Internet connection is required to enable Google Assistant.
