Lenovo FLEX **5G**

CREATE CONNECTION.

Introducing the Lenovo™ FLEX 5G, the World's first PC with lightning-fast 5G connectivity[1]. Designed exclusively for Verizon, this slim, eye-catching 2-in-1 comes packed with the unmatched power, speed and efficiency of a 2.84 GHz Qualcomm® Snapdragon™ 8cx processor. Experience all-day power[2] and convenience on an ultra-portable PC that revolutionizes how you work and play. The Lenovo FLEX 5G brings cinematic entertainment on the go. And now you can make the most of it with Verizon, the nation's most awarded network.

WHY YOU SHOULD BUY THE LENOVO FLEX 5G

Speed up with Verizon 5G Ultra Wideband[1]

Access Verizon's next-generation of wireless connectivity on the world's first 5G-compatible PC. Stream movies with virtually zero lag time and browse the web faster than ever before. Welcome to Verizon 5G.

Powerfully efficient

Enjoy up to 24 hours of video playback on a single charge[2]. Efficient processing keeps your PC performing at its best throughout the entire day.

Security meets convenience

Make passwords a thing of the past. FLEX 5G offers enterprise-grade security options, including hands-free facial recognition software and a one-touch fingerprint reader.

Live untethered

Bring the office with you. Add it to your briefcase or stuff it in your backpack: weighing in at just 2.9 lbs, this ultra-sleek 2-in-1 is the perfect travel companion.
