Lenovo 14e Chromebook

Simple to use and effortless to manage, this 14" Chromebook neatly fits the needs of educational institutions. Access to apps like G Suite for Education, Google Classroom and others make learning easy and engaging. Multiple connectivity options including USB-C and USB-3.0 ports, HDMI and even a Micro SD card slot simplify content sharing and collaboration. An anti-glare display and up to 10 hours of battery life minimize eye strain while boosting productivity.

ENABLING ONE-TO-ONE COMPUTING FOR STUDENTS AND EDUCATORS

Lenovo 14 Series ultraportables are ideal for teachers and students looking for a full-size ultraslim laptop at an education-friendly price.

REASONS TO BUY

Designed to withstand the bumps and spills of school life, the device comes with a durable metal cover, reinforced ports and hinges, and a water-resistant keyboard with mechanically anchored keys that won't come off even with rough use.

The optional FHD touchscreen makes it easy for teachers and students to review assignments, add notes and highlight topics. The front-facing 720p camera is great for remote learning and virtual collaboration.
