

Lenovo™ Chromebook S345-14

DO MORE. ENJOY MORE!

Fast, flexible, and fun, the Lenovo Chromebook S345-14 brings everyone's favorite Chromebook features, housed in a slim 180° hinged chassis, running on the lightning-fast Chrome OS that boots up in seconds, updates automatically, and is protected by built-in virus protection. Powered with 7th Generation AMD A6-9220 APU with Radeon™ R4 Graphics and runs up to 10 hours battery life, it'll seamlessly run all of your favorite apps at the same time.

WHY YOU SHOULD BUY THE LENOVO CHROMEBOOK S345-14

Focus on what is important

Faster, simpler, and more secure, the Lenovo Chromebook S345-14 is powered by 7th Generation AMD A6-9220 APU with Radeon™ R4 Graphics delivers excellent photo and video management capabilities for your everyday needs. You can enjoy the streamlined interface of Chrome OS, bringing the latest Chromebook features to your fingertips—including millions of apps on Google Play, custom Google Map wallpapers and images, and more. It's designed with a full backlit keyboard and spacious trackpad with a key travel distance of 1.4 mm for an optimal typing experience. With up to 10 hours battery, you can bring this Chromebook device with you anywhere, anytime.

Lenovo™

For looking at the bigger picture

Thanks to the narrow bezel and FHD IPS display, you can enjoy all your favorite movies and videos with less distraction. Also, the touchscreen makes for a more intuitive experience, giving you the ability to click or drag files right on the screen. It also packs crystal-clear audio with dual 2W stereo speakers. This means you can enjoy your favorite music and videos at maximum volume and get the party started!

Get hooked up

Lenovo Chromebook S345-14 features two USB 3.1 Type-C™ Gen1 ports, two USB 3.1 Type-A Gen1 ports and one audio jack. With the USB 3.1 Type-C™ Gen1 port, you can enjoy fast data transfer, multimedia streaming, and battery charging on a single port! There's also built-in 802.11 ac WiFi and Bluetooth® 4.2 for stronger, more stable connections and faster data transferring speed.

Stay productive with Chrome OS

No setup needed—just login with your Google account to experience a new type of convertible laptop for everything you love to do. Lenovo Chromebook S345-14 is easy to use, offers built-in virus protection, and keeps going with a long-lasting battery. Stay synced with your Android™ phones & tablets, and everywhere you're signed in with your Google account, so your stuff stays with you even when your laptop doesn't—all while keeping email, maps, docs, and pics safely stored either locally or in the cloud.
