

## Lenovo D20-30 Monitor

### Work or entertainment, it performs brilliantly.

Meet the smart monitor with a fun side.

Young, hardworking people also have a fun side to them. And the Lenovo D20-30 Monitor is made for exactly such users. The Lenovo D20-30 Monitor comes with a 19.5-inch TN panel that offers an excellent response time of up to 2ms\* that effectively minimizes ghosting of images. With a screen resolution of 1600 x 900 and a 16:9 aspect ratio, the Lenovo D20-30 Monitor is designed for modern-day indoor use. This monitor also comes with TÜV Low Blue Light-certified & TÜV Flicker Free-certified technologies offering a great viewing experience by minimizing exposure to harmful, high-energy blue light, and assuring you flicker-free and comfortable screen time. It also has VGA and HDMI ports to ensure seamless connectivity and functionality. When it comes to comfort, its 100 x 100 mm VESA Mount allows you to install the monitor just the way you like it. Additionally, the fully adjustable tilt stand further helps you adjust the viewing ergonomics for maximum comfort. Lenovo D20-30 – The monitor that supports you whether you use it for work or just for having fun.
