

LENOVO L24e-20

ELEVATE YOUR VIEWING EXPERIENCE

SCORES HIGH ON PERFORMANCE AND COMFORT

Designed keeping style and functionality in mind, this sleek Lenovo L24e-20 monitor is all set to give you an incredible viewing experience. With the 23.8" NearEdgeless design and a 178°/178° wide viewing angle, the Lenovo L24e-20 monitor enables you to enjoy content consumption activities on a magnificent canvas. The TÜV Low Blue Light certification and flicker-free display reduces eye strain and makes long viewing hours comfortable.

Also, you can adjust the monitor the way you want with the Quick Release Tilt Stand or mount it on a wall with VESA compatible slots to make extra desk-space. Plug in your gaming console, media player, or any other streaming device simultaneously with the multiple connectivity options.

FEATURES OF LENOVO L24e-20

See Every Detail

Watch movies the way they are meant to be seen in HD quality with the 1920 x 1080 full-HD resolution and 178°/178° wide viewing angle. The space-saving bezel is 2mm thin, beneficial especially when using multiple screens.

Connect to More Devices

The versatile connectivity options such as HDMI and VGA ports, enable you to effortlessly connect to your media player or laptops. Plug in your sound system in the audio out port to enrich your video watching experience.

Game the Right Way

The 4ms response time reduces motion blur with its high refresh rate and adds a visual punch when you are playing games. Plus, the AMD FreeSync™* technology eliminates streaking and ghosting to give you a smooth gaming experience.
