

BUSINESS-READY LAPTOP FOR EVERYDAY USE

Lenovo

The Lenovo V140-15" combines the power of the latest 8th Generation Intel® Core™ i5 WHL Processor and the efficiency of Windows 10 OS to enable optimum productivity.

The sleek design with two side narrow bezels display, an ergonomic keyboard, and one-piece touchpad offer a seamless experience to mobile users. With the full-HD* display and Dolby® Audio™ certified stereo speakers, you can experience superior audiovisual clarity, no matter where work takes you.

Lenovo V140-15" LAPTOP

Lenovo V140-15" LAPTOP

Amplified Performance: up to 12GB DDR4 memory and discrete NVIDIA® GeForce® MX110 graphics with 2GB GDDR5 VRAM on this laptop allow you to multitask with ease.

Versatile Storage: with the optional dual-drive storage, experience the responsiveness of a solid state drive (SSD) and the extra capacity of a hard disk drive (HDD).

Advanced Security: built-in security features like Camera Shutter, Trusted Platform Module (TPM) with BitLocker, and Kensington™ lock slot ensures that your business data remains safe.

Maximum Comfort: the 15" full-HD* anti-glare display minimizes eye fatigue, while the full-sized ergonomic keyboard with numeric keypads and one-piece touchpad add to higher user comfort. The gapless keyboard ensures there is no dust build-up.

Superior Sound: with the Dolby® Audio™ certified stereo speakers, you can enjoy exceptional sound clarity.

ITDM Benefits

Portable:

built to be slim and light, the V140 is designed for employees to stay productive at the desk or on the go.

Secure:

the integrated firmware TPM encrypts sensitive data and passwords, while the Kensington™ lock slot physically protects your device from theft by securing it to an immovable object. The Camera Shutter provides strong and easy camera security with just a flick.

Reliable:

tested for optimum reliability and durability to perform smoothly.

*Optional

Accessories

Lenovo 15.6" Laptop Casual Backpack

GX40Q17225 Black-ROW

Modern, durable, and stylish, this backpack with its conveniently placed compartments and pockets is perfect when on-the-go. Water-repellent fabric and a clean, streamlined design create a case that is ideally suited for everyday use.

Lenovo 400 Wireless Mouse

GY50R91293 (WW)

Comfortable and functional, this mouse offers exceptional quality with a modern wireless solution. Equipped with an optical sensor, it enables fast scrolls and accurate clicks through documents and spreadsheets.

Lenovo 500 Extra-bass In-ear Headphones

GXD0J36366 Dark Gray (WW)

The Lenovo in-ear headphones deliver exceptional sound clarity, creating a rich audio experience. A comfortable fit, tangle-free cord, and a hidden noise-canceling microphone make conference calls easier.

SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on your work, not your IT.

Premier Support

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

Accidental Damage Protection (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

Warranty Extension (Up To 3 Years)

This fixed-term, fixed-cost service helps you accurately budget for your IT expenses, protect your valuable investment, and lower the cost of ownership over time.

*HDD in ODD bay

**Based on testing with MobileMark 2014. Battery life varies significantly with settings, usage, and other factors.

Depending on many factors such as the processing capability of peripheral devices, file attributes, and other factors related to system configuration and operating environments, the actual transfer rate using the various USB connectors on this device will vary and is typically slower than the data rates as defined by the respective USB specifications: ~ 5 Gbit/s for USB 3.1 Gen1; 10 Gbit/s for USB 3.1 Gen2 & 20 Gbit/s for USB 3.2.
