Learn from home
- Do more with the versatile Lenovo Precision Pen 2, whether you’re struck by an inspiration or just jotting down notes

Long battery life³
- Up to 15 hours usage at a full charge

New Kids Mode

Google Kids Space is designed to nurture your kid’s curiosity and creativity, inspiring them to explore their interests through thoughtfully curated apps, books, and videos¹.

¹ Books and video content not available in all regions. Video content subject to availability of YouTube Kids app. Books content requires the Play Books app. Availability of apps, books, and video content may change without notice. Google Assistant not available in Google Kids Space. Google Kids Space requires a Google Account for your child. Parental controls require the Family Link app on a supported Android™, Chromebook, or iOS device.

² Availability may vary by region.

³ Actual usage time may vary with different configurations.

**RECOMMENDED LENOVO SERVICES**
- Lenovo Accidental Damage Protection One
  - Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your Tablets, permitting a single repair during the coverage period.
- Lenovo Premium Care
  - Premium Care is the hassle-free solution for all your technical support needs. Upgrade your Lenovo Tablet’s standard warranty to our front-of-the-queue customer support service and get 24/7 real-person support from experts who provide solutions on your first contact.

**TUV Certificated Eye Protection**
- With special light and display technology development, Lenovo tablet P11 ensures that the display lowers harmful blue light when appropriate to reduce strain on the eyes.

---

1. Lenovo tablets typically receive at least 1 Android™ OS upgrade cycle. May vary per models, countries, regions, retailers and operators. Contact support for more details.
2. Google and Android are trademarks of Google LLC.
3. Lenovo lab testing results. All battery life claims are approximate. Actual battery performance will vary and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage.
4. 802.11ax features: only support B8 stream sounding, TWT, WFA3 in WiFi 6 features.
