ThinkCentre M80t and M80s

Your employees are your company’s most valuable asset. Support them with technology that inspires their creativity, boosts their productivity, and improves their computing experience. Lenovo ThinkCentre innovation helps you support your employees with comprehensive and customizable desktop solutions.

With up to Intel® Core™ i9 vPro® processors, the all-new ThinkCentre M80t and M80s offer powerful performance to meet today’s needs plus easy ways to expand and upgrade now or over the long term. Users can connect to up to three displays for maximum multitasking. And rest assured these desktops are secure inside and out with ThinkShield solutions and the Intel® vPro® platform.
ThinkCentre M80t and M80s

**Incredible Performance**
Incredible Performance: ThinkCentre M80t and M80s fuel the human imagination to bring ideas to life with up to Intel® Core™ i9 vPro® processors and up to four DDR4 UDIMM (2933Mhz) with up to 128G memory support.

**Security Inside and Out**
ThinkCentre devices allow your employees to innovate fearlessly with the reinforced security of ThinkShield, the most comprehensive, end-to-end security solution on the market that combines industry-leading hardware, software, services, and processes to protect your ideas and your business. ThinkCentre M80t and M80s have built-in ThinkShield features, such as dTPM 2.0 chips and Smart USB protection, in addition to many more security features that can be customized to meet your unique needs. The Intel vPro® platform brings together the best of Intel innovations, so you can accelerate business productivity, better safeguard data and assets, and gain long-term stability. Kensington™ Lock slots, chassis e-locks, and more options provide physical security to protect against theft.

**Practical Expandability**
ThinkCentre M80t and M80s offer ample HDD and SDD expansion slots that allow these desktops to grow with your business. Add graphics cards to support industry-specific imaging equipment, connect to legacy peripherals—the possibilities are endless.

**Productivity Booster**
ThinkCentre M80t and M80s combine time-saving features, like Smart Power On, with features that improve productivity and ergonomic experience. These include the ability to connect to three displays and a USB-C port located on the front panel for quick and convenient data sharing and charging.

**Comprehensive Manageability**
IT professionals will appreciate that ThinkCentre M80t and M80s are easy to deploy and easy to manage from both a software and hardware standpoint. Lenovo offers a variety of pre-installed OS options to meet your customization needs. Expansion is hassle-free thanks to an ease-of-use design on ThinkCentre M80s that offers quick access to the DIMM, HDD, SDD, and ODD. The Intel vPro® platform is built for business, so you have the assurance that you’re getting everything you need to run productively, more securely, and cost-effectively.

- TÜV Low Noise Certification TCO 8.0

### optional services

- Lenovo offers a comprehensive portfolio of services to support and protect your ThinkCentre investment—so you can focus on your work, not your IT.

- Premier Support
- Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

- ACCIDENTAL DAMAGE PROTECTION (ADP)
- Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage.

- WARRANTY EXTENSION (3-YEAR BASE, UP TO 5 YEARS TOTAL)
- This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

### accessories

- **LENOVO ESSENTIAL WIRELESS KEYBOARD AND MOUSE**
  - COMBO PN: Varies by country
  - This combo allows you to connect both keyboard and mouse using only one nano USB wireless receiver. The slim, wireless keyboard has a responsive key feeling, and includes an adjustable tilt leg, numeric keypad, and spill resistant design. The full-size wireless mouse accommodates left- and right-handed users.

- **LENOVO PRO WIRED STEREO VOIP HEADSET**
  - PN: 4XD0S92991
  - This headset offers the versatility of using the USB or 3.5mm connection, allowing users to stay connected with their PC or personal device. It also features a noise-cancelling microphone that eliminates background noise for better conversation. Setup is easy—simply plug in and go.

- **KENSINGTON® MICROSAVER™ 2.0 TWIN CABLE LOCK**
  - PN: 4XE0N80915
  - Secure two devices with the same cable lock. Engineered to be the smallest, strongest lock for desktop, laptop, monitors, and other devices, the MicroSaver 2.0 represents the next generation of cable security.
