

YOGA⁷²⁰

DIFFERENT IS BETTER

Get things done on the go with the Lenovo™ Yoga™ 720 (13"). At only 1.3 kg, the stylishly compact Lenovo Yoga 720 boasts powerful processing, cutting-edge ports, and the convenience and security of a fingerprint login. You'll enjoy stunning visuals and sound with up to a 4K display and premium, enhanced speakers. Whether you're browsing the web, streaming a movie or working on your own creations, we've got you covered.

WHY YOU SHOULD BUY THE LENOVO YOGA 720

Brilliant 4K resolution

Enjoy stunning visuals on up to a 4K Ultra High-Definition IPS touchscreen display, edged on three sides with razor thin bezels that maximize your viewing experience. Watch a movie, or video chat with a friend three continents away. You'll see every detail with startling clarity.

Set your ideas in motion

Take notes on a work document, or send a hand-drawn birthday card, using our new optional Lenovo Active pen 2. Featuring pin-point accuracy and palm-rejection technology, you'll enjoy a natural pen-on-paper writing experience. And thanks to Windows Ink, you'll be able to capture your thoughts as quickly as they occur, with the ability to instantly reformat your notes or send them to your other devices.

Lenovo™

Effortlessly portable

The Yoga 720 is one of the lightest 13" 2-in-1s on the market, measuring 14.3 mm thin and a feather-light 1.3 kg. Wherever life takes you, it'll easily go too.

Elegance & versatility

Featuring a sleek aluminum finish in Platinum Silver, Iron Grey or Copper, the Yoga 720 will always suit your style. And thanks to a 360° hinge, it'll easily transition with your schedule too. Browse the web in tablet mode, power through projects in laptop mode, or switch into tent mode when you want to kick back and stream a movie.

¹ All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2014/> for additional details.

² Optional.

Lenovo™

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
