

YOGA Slim 9i (14", 7)

Smart. Sustainable. Powerful.

Do it all your way with the premium, portable performance of the Lenovo Yoga Slim 9i designed on Intel® Evo™. Carbon-neutral certified and debuting a brand new, comfort edge design with 3D glass, the Yoga Slim 9i lets you move seamlessly from work to play with an up-to-4K OLED PureSight touch display, and Bowers & Wilkins speakers. Engineered on Intel® Evo™ for the best mobile overall experience¹, now featuring 12th Generation Intel® Core™ processors, coupled with the adaptive performance of Lenovo AI Core 2.0.

WHY YOU SHOULD BUY THE LENOVO YOGA SLIM 9i (14", 7)

Sustainable, responsible, beautiful

The Yoga Slim 9i is built responsibly so you can buy responsibly. Make the sustainable choice with a device crafted from recycled materials², uses green packaging³, ENERGY STAR® certified, and EPEAT™ Silver registered in the US. Carbon-neutral certified⁴, the Yoga Slim 9i truly exemplifies the pinnacle of premium, portable, sustainable, power. Think sustainably, do responsibly.

Inspired decadence

Precision engineered from 6000 series aluminum alloy, the mobile, elegantly thin-and-light profile of the Yoga Slim 9i resonates premium indulgence. Crafted for mobility, the Slim 9i sports a brand-new comfort-edge design accented by a 3D glass cover. This chassis is as comfortable to hold as it is to behold. Plus, enable your digital creation more than ever with the 50% larger touchpad for scrolling, gesturing, and panning.

Unparalleled immersion

Graced with unparalleled visuals, the Yoga Slim 9i debuts an up-to-4K OLED PureSight touch display with VESA® DisplayHDR 500 True Black. See deeper blacks and brighter lights with 600 nits peak brightness. More pixels, detail, and a higher refresh rate at up to 90Hz and 1 ms response make for smooth, touch-capable visuals that enable the purest fidelity for a spectacular creative or entertainment experience. The Slim 9i is equipped with four Bowers & Wilkins tuned speakers so that you can experience greater realism and accuracy from music, movies, and calls.

Where performance meets mobility

Don't sacrifice performance or battery life. Anywhere, anytime thanks to Intel® Evo™ featuring 12th Generation Intel® Core™ processors - delivering superior performance where you need it most¹. Enjoy creation on-the-go in an ultra-portable 14" ultra-slim design with up to 32 GB LPDDR5 memory and up to 1 TB SSD PCIe Gen4 storage for even faster multitasking. At an ultra-light 1.3 kg and a 75Whr battery, the Slim 9i also offers Rapid Charge so you're out the door as soon as you're ready to go.

¹ In thin & light Windows-based PCs. Intel's comprehensive laptop innovation program Project Athena ensures all designs with the Intel® Evo™ brand have been tested, measured, and verified against a premium specification and key experience indicators. Testing results as of August 2020, and do not guarantee individual laptop performance. See intel.com/Evo for details. Results may vary for advertised systems and power and performance vary by use, configuration and other factors.

² 50% recycled aluminum in D cover. 25% recycled plastic in battery frame.

³ Packaging boxes from FSC certified paper. Replaced plastic cushion with Korvvu Suspension Film which helps reduce over 70% of plastic by weight.

⁴ Product carbon footprint is conducted in accordance with ISO 14067:2018 and certified by TÜV Rheinland*.

¹ All battery life claims are approximate and based on continuous 1080p video playback on the latest update of Windows 11 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Local video playback @ FHD 150 nits.

³ WiFi 6E support contingent upon availability.

⁴ Bluetooth® version depends on OS.

⁵ Available in select regions.

LENOVO SERVICES

Lenovo Premium Care Plus

The ultimate PC support experience, with you as our 24/7 priority. Enjoy personalized hardware and software support from a global network of elite technicians, along with extensive solutions that protect your PC from accidental damage, battery degradation, and ensures optimized PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo Smart Privacy Services

Smart Privacy Services within Lenovo Vantage puts you in control of your privacy with an intelligent software that makes your browsing experience more private by blocking third-party web trackers, secures your online accounts, encrypts your WiFi connection, monitors your information for exposure in organizational data breaches, and removes your profiled data from select sites found on the internet.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

LENOVO CO₂ OFFSET SERVICES

Now give back to the environment in a tangible way! Lenovo CO₂ Offset Service gives you a simple and transparent way to offset carbon emissions and help the environment by supporting one of several United Nations Climate Action projects, including those that help to improve renewable energy, reduce air pollution, or enhance safe waste disposal, all of this at just the click of a button.
