

YOGA^{AIO 7}

REDEFINES THE SMART DESKTOP.

The Lenovo™ Yoga™ AIO 7 redefines the smart desktop, pushing the boundaries with leading-class performance of up to AMD Ryzen™ 5000 Series Mobile Processors and the world's first 27" 4K display. Enjoy a mind-blowing visual experience, thanks to DCI-P3 99% color space, 99% Adobe RGB color gamut and effortless 90° rotations. Best of all, the Yoga AIO 7 offers peerless device-sharing features adapted to the multi-screen workflows and lifestyles of today's users. Streamline your work by pairing your AIO with a portable notebook. Access the same hard disk, keyboard, mouse and speakers as your notebook charges, and set your smartphone on the built-in dock, so you can easily work and play across screens.

SUPREME PERFORMANCE. INFINITE POSSIBILITIES.

UP TO AMD RYZEN™ 5000 SERIES MOBILE PROCESSORS WITH RADEON™ GRAPHICS.

Run your most demanding apps all at once with the world's best mobile processors.* Experience lightning-fast responsiveness, thanks to industry-leading technology and up to 8 ultra-fast cores that keep you productive and entertained.

* 'Best Mobile Processors' is defined as having the highest multi-thread processing performance in each of four (4) classes of Ryzen™ 5000 series processors. Testing by AMD engineering using the Cinebench R20 nT benchmark, measuring multi-threaded performance of a Ryzen™ 9 5900HX processor engineering sample vs Core™ i9-10980HK, Ryzen™ 7 5800U processor engineering sample vs Core™ i7-1185G7 processor, the Ryzen™ 5 5600U processor engineering sample vs Core™ i5-1135G7 processor, and a Ryzen™ 3 5400U processor engineering sample vs Core™ i3-1115G4 processor. Performance may vary. CZM-1.

WHY YOU SHOULD BUY THE LENOVO YOGA AIO 7

Leading-class performance

The Yoga AIO 7 belongs in an elite category on its own, powered by the industry-leading performance of up to AMD Ryzen™ 5000 Series Mobile Processors with Radeon™ Graphics to seamlessly run the latest gaming at the highest settings, while making quick work of even the most demanding graphics renders. Up to 1TB of SSD storage means never having to compromise on what to keep, while still having plenty of space left over. And with solid state drive, your system runs, boots and transfers files faster.

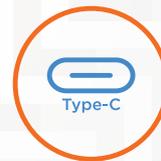

Best-in-class display

Yoga AIO 7 affords peerless 4K visuals and more authentic colors than you've ever seen before on screen through the 99% Adobe RGB color gamut and a hyper-realistic DCI-P3 99% color space. It's also designed in accordance with professional-grade display requirements, adopting DC dimming, carrying Flicker-Free and Low Blue Light dual certifications from TUV Rheinland and OSD functionality to facilitate display settings. Touchscreen is optional to ensure a more intuitive user experience.

Spin your display effortlessly

Rotate your screen with just the push of a finger. Effortlessly swivel the slim-framed display from a horizontal to fully vertical position with the Yoga AIO 7's exclusive rotatable hinge. Content also rotates automatically when projected from a mobile device, such as a phone or tablet. You can also cast tablets or smartphones to the 4K screen in seconds without turning on the computer through built-in wireless casting.

One universal solution

Streamline your workflow with unmatched device-sharing capabilities. Connect your Yoga AIO 7's best-in-class screen, speaker, keyboard and mouse through a Type-C™ cable, so that these peripherals can be shared with your notebook, while charging it at the same time with 65W of full power. You can also share the standard 2TB hard drive with your laptop to enable seamless data transfer and backup.

LENOVO SERVICES

Warranty Upgrades – On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
